COMMENTS: When I stepped into the restaurant, I approached the host stand immediately. I asked the hostess if I could get a table for one or sit at the bar. She referred me to sit at the bar toward the front or the back of the restaurant by the open kitchen. I told her I was fine with sitting at the bar, and I let her know I would sit by the kitchen. She pointed me toward the bar, but did not walk me there. She did not tell me about the menus or QR codes. Only my server, who helped me after I sat down, let me know about the ordering process. The hostess never left the host stand, so she never took a moment to tell me to enjoy my meal. She pointed me in the direction of the bar to sit at to order my meal, and then proceeded to talk with the other employee beside her.

COMMENTS: My server was very attentive throughout my meal. He helped me with suggestions as I was ordering, and I was curious about the beer selection since it was not readily available on the website from the QR code link. I asked if there were any lighter drink options, and he was able to suggest Corona Light, which I appreciated. He also made sure to ask if I had any allergies once I placed my order. He definitely kept checking in to make sure I was enjoying myself or if I needed anything, but without being obtrusive. He was a really good server, and I can definitely see myself requesting him if I come back to this location again.
