COMMENTS: The arrival experience was excellent. We were greeted promptly within one minute with a warm, friendly, and sincere welcome. The host smiled, made eye contact, and made us feel welcomed. The host stand area was clean and organized. As the restaurant was not full, the waiting list questions were not applicable. The host led us directly to our table, informed us about the menu QR code and the name of our server, and wished us an enjoyable meal before returning to the stand.

COMMENTS: Our server Anaya delivered an outstanding experience. She introduced herself within 2 minutes with a warm smile and friendly eye contact, using her name. She asked about our first visit and any allergies, making us feel genuinely comfortable. Anaya was clearly knowledgeable about the menu, offered great recommendations, and appropriately checked IDs when cocktails were ordered. She did not repeat our order back to confirm accuracy, but she did remain attentive without being intrusive, and came across as truly passionate about the restaurant and its guests. We would absolutely request Anaya again on our next visit.

COMMENTS: Service flow and timing were excellent throughout the visit. Drinks arrived within 5 minutes, appetizers within 10 minutes, and entrees within 15 minutes. The overall pace felt balanced and relaxed. Our server checked on drinks and water consistently and kept the table well-maintained. There was an issue with the Spicy Pineapple Margarita: the drink was ordered with no tequila and Jameson whiskey added, but the server brought it out, stating it was premixed and contained a little tequila with the whiskey added in. I would have preferred to be informed upfront that the customization could not be accommodated, so I could have selected a different drink without tequila. I ended up asking the Manager about it later on in the meal when she checked in because I was unable to drink the drink. Our server remained attentive throughout, checked back within 3 minutes of food delivery, cleared empty cocktail glasses, and offered a second round of drinks. She was well-groomed and in a clean uniform.

COMMENTS: The food quality was outstanding overall. The tacos, especially the pork belly taco, were the highlight of the meal - perfectly prepared, beautifully presented, and served at the ideal temperature. Portion sizes were appropriate for the price, and the quality met the restaurant's concept expectations. The only item that came out not prepared the way it was asked was the Spicy Pineapple Margarita. It was supposed to be made with whiskey, but I was informed when it was brought out to me that it was a pre-mix, and it only contained a little bit of tequila.

COMMENTS: The overall cleanliness of the restaurant. When we were walked over to the table by our host, there were nail clippings sitting on top of the table. The seating, the dining room, the floors, and the walls were all clean and well-maintained. The restrooms had lots of water spillage on the countertops and tissue paper on the ground. The temperature was comfortable, and the music volume and lighting created a pleasant atmosphere. No spills were observed.

COMMENTS: The manager, Katrina, was well-groomed and professionally dressed. They visited our table to check on the dining experience, which was appreciated. Katrina ended up helping me swap out the wrong cocktail for a whiskey sour, which was really nice of her. The manager was attentive, making sure to check in with other tables around us. The manager was respectful and professional toward both guests and staff.

COMMENTS: Overall, that was a wonderful dining experience. The staff, especially our server Anaya, created a genuinely fun and positive environment. There was a group of staff who also made sure to celebrate someone's birthday while we were there. Anaya was clearly passionate about the food and the restaurant and made us feel like valued guests throughout. The experience met and exceeded expectations in nearly every way. The one notable issue was with the Spicy Pineapple Margarita, which was not prepared as customized, and I was not proactively informed before the drink was served.

COMMENTS: The first time I called, I asked the AI agent about parking. I did not interrupt, but as it was talking, it just started ringing. It rang for about 30 seconds. I asked for an employee afterwards, and it properly connected me to an employee. Jayjay picked up about 20 seconds after being transferred, and she was able to inform me about my questions around reservations. I was informed that reservations do not exist pretty much anytime over the weekends, Friday after 3 PM, and after 4 PM on weekdays. Jayjay was informative and friendly.
